

KidsCare

because you care

Protect your Child's Health with KidsCare – Arizona's Children's Health Insurance Program

Benefits of KidsCare:

- Children can see a doctor or dentist at a quality health care center of their guardian's choice and convenience.
- American Indian and Alaska Native children can still utilize IHS and tribal health care facilities.
- KidsCare can help with the cost of medicine, and more.

Visit coveraz.org/connector,
or call (800) 377-3536.

Who's Eligible?

Children up to 19 years of age:

- in families that earn too much for AHCCCS (Arizona Health Care Cost Containment System);
- but do not earn enough to afford private health insurance.

What's the Cost?

Available at no cost for American Indians and certain Alaska Natives; must provide proof of tribal enrollment.
